COACHBUILDER INFORMATION UPDATE

Date: July 11, 2012
Bulletin Number: XTS 01
Subject: Revised CMC Policy & Procedure Manual

Please be advised that the attached CMC Policy & Procedure Manual has been revised from its original draft/distribution of 12.07.11.

Changes include:
- A reminder that the B05 Armoring Package is strictly for government purchase/use. CMCs cannot order the B05 option for their customers.
- The addition of Styling and Design Recommendations that were formed after converting the XTS concept cars.

If you have any questions or concerns, call Joe Pennington at (248) 808-0854.
